

INITIATIVE 5%

SIDA, TUBERCULOSE, PALUDISME

With an annual contribution of €360 million (for 2014-2016), France is the 1st European donor and the 2nd donor worldwide to the Global Fund to fight HIV/AIDS, Tuberculosis and Malaria.

Since the end of 2011, the 5% Initiative, France's indirect contribution to the Global Fund, meets the need for technical expertise in countries, especially French-speaking countries, in order to assist the latter in the design, implementation and monitoring & evaluation of Global Fund grants.

With an annual budget of €18 million per year, the 5% Initiative is implemented by Expertise France, the French agency for international technical expertise.
